

The ZWC Program
sharpens leaders
to effectively
drive community
initiatives

HIGHLIGHTS

- A year-long, live-project, driven by the students
- Activity based, Bite-sized learning without burdening the children
- Complements the curriculum
- Involves all stakeholders (Students, Staff, Management & Parents)
- Imparts Leadership skills

PREPARES YOUR STUDENTS TO NAVIGATE THE COMPLEX CHALLENGES OF ENVIRONMENT & SUSTAINABILITY

Following a comprehensive approach to Waste management, the program delivers a fun-filled learning experience - through awareness, teamwork, training, personalized coaching and curated project
